## FAREWELL TO COLONEL PI CHISWELL OBE

On 24th April, Brigadier General C E Beattie, CMM, CD presented Colonel P I Chiswell, OBE with a set of copies of the Blue Beret printed during his tour as Deputy Chief of Staff. Colonel Chiswell left the Island and UNFICYP on 27 April to return to the United Kingdom and promotion to Brigadier. We take this opportunity to wish him every success in his new appointment.

## THE NEW DEPUTY CHIEF OF STAFF

The new Deputy Chief of Staff and Commander of the British Contingent is Colonel H. M. Tillotson, CBE.

## AUSTRIAN FLAG LOWERED FOR LAST TIME

In the ceremony to mark the final closing of the Austrian Medical Centre, the Austrian flag was lowered for the last time and Brig Gen C E Beattie, CMM, CD read the following message to Col J Mayer MD and his staff.

**'I wish to convey my thanks, along with those of the Force Commander and of all ranks of UNFICYP for the services which the Austrian Medical Staff have rendered the Force ever since its formation in 1964.**

For the first nine years, this unit was the Austrian Field Hospital, and it was only at a time of planned force reductions in 1973 that it was withdrawn and replaced by your unit. Since then the UNFICYP Medical Centre, though small, has been a most valuable successor to the Field Hospital, fulfilling its tasks in support of members of all Contingents of the Force.

Now your Government has made the decision to withdraw the Austrian staff, and for those of us who have come to know you as good friends and true professionals it is a matter for great regret that you should be going. The UNFICYP Medical Centre continues in a new guise with British and Canadian staff, who will be conscious of the fine standards set by their Austrian predecessors.

On this sad occasion I thank your past and present staffs and yourself for the great services given by your unit to the United Nations Force in Cyprus.'

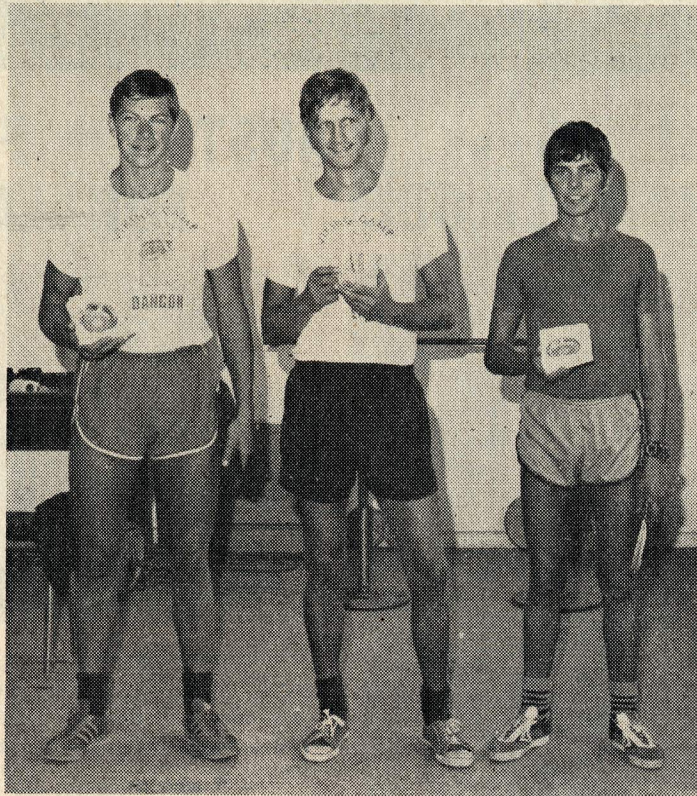

Colonel Mayer seen replying to Brigadier General Beattie's farewell message while Lieutenant Colonel Fritz and Major Mittermeyer look on.

## DANCON- MESTERSKABET I BORDTENNIS

15 APR afvikledes DANCON-Mesterskabet i bordtennis i Viking Camp. Tilmeldingen var ikke så stor som ventet, men alligevel blev det til mange spændende kampe. Specielt kampen om 2. pladsen mellem KS E. Ø. Larsen og KS O. Holt var interessant at følge. SG T. Jørgensen vandt suverænt alle sine ampe og blev DANCON-mester i bordtennis med KS O. Holt på 2. pladsen og på en 3. plads KS E. Ø. Larsen.

## Swedcon News

Swedish Forces Photos

The new Swedish Battalion, 61c commanded by Lt Col Paul Stromberg have arrived in Cyprus, after training with the Royal Lifegranadiers in Linköping. The Battalion has now taken over responsibility for Sector 6.

It travelled to Cyprus in three flights, leaving Stockholm winter-like under a blanket of snow.

Så var då "61 C" på plats. Från att ha lämnat Sverige med den sista snöstoomen möttes den sista transporten av sol och värme.

När detta nummer av Blue Beret kommer ut, har säkert de flesta kommit in i de dagliga rutinerna, vet sina vaktlistor, matider och när det ges tid till sol och bad.

## AUSCON - OSTERFEIER

Bei Sonnenuntergang versammelte sich am Karsamstag alles, was dienstlich abkömmlich war, im Camp DUKE LEOPOLD V., um das Osterfest nach heimatlichen Brauch zu feiern. Dazu kam noch eine grosse Zahl von Gästen: An deren Spitze konnte Obstlt FRITZ den oesterreichischen Botschafter Dr. Simon KOLLER begrüssen. Unter den Gästen waren einige, zum Teil schon lange in Zypern lebende Auslands-oesterreicher, eine Abordnung der oesterreichischen Polizei und-leider zum letzten Mal — Angehörige des Medical Centres mit Oberst A Dr. MAYER an der Spitze. Nicht zuletzt aber sah das Bataillon bei dieser Gelegenheit zum ersten Mal seine "First Lady": Auch die Gattin des Kontingentskommandanten, Frau FRITZ, die zu einem kurzen Besuch in Zypern weilte, war gekommen.

Zumindest waehrend des Ostermesse schien sich sprichwaertlicher Osterfriede ueber den LARNACA — Distrikt zu verbreiten: Nicht einmal der Duty-Officer wurde durch einen Telefonanruf aus der Foestefreude

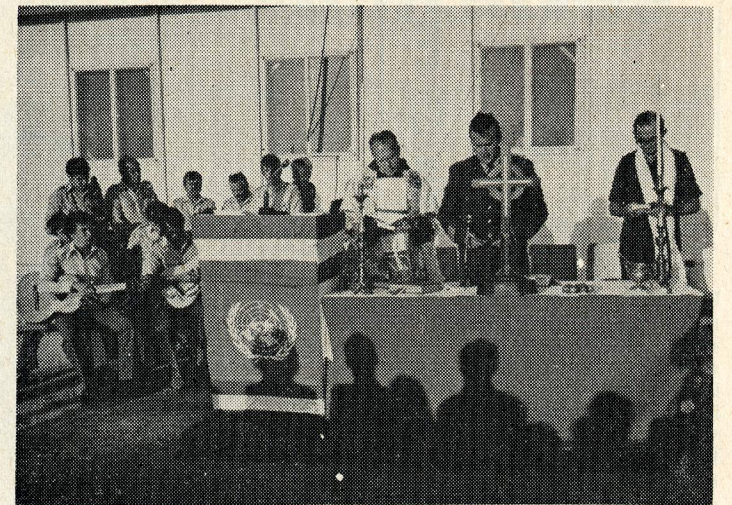

farissen.

Die Ostermesse selbst wurde am Anrteplatz unter der wehenden oesterreichischen und der UN-Flagge von Oberkurat SCHMIDT, dem englischen Militaerkaplan Father MCPHELAN aus DHEK, LIA und von Father SABIN aus FAMAGUSTA konzelebriert.

Unsere Kameraden gestaltenen mit einer aus zwei Gitarren und einer Ziehharmonika bestehenden Band und einen Chor die Feier sehr stimmungsvoll.

Nach dem geistlichen Teil ging es dann nahtlos in den weltlichen ueber:

Nahe der SanStation wurde unter Absingen von Soldatenlieder ein riesiges Osterfeuer abgebrannt und nach uraltem oesterreichischen Brauch wurden dabei Osterschinken und bunte Eier geweiht. Anschliessend wurde dann bei Freibier in den Messen recht fluessig und ausgiebig weitergefeiert. Unser Botschafter, Dr. KOLLER, liess es sich nicht nehmen, allen wrei Messen einen Besuch abzustatten und persoendlich frohe Ostern zu wuenschen..

# CANCON E W S

The Second Battalion Princess Patricia's Canadian Light Infantry has now got settled into their new 'Barracks' and all ranks are getting used to being peace-keepers again. For many the job is not a new one, but for those who have not been in Cyprus before, being a peace keeper brings a whole range of new experiences.

In addition to our UN duties the Battalion will be running bus tours of the Island, scuba clubs, parachute clubs, photo clubs and a host of other activities.

# Pataljoona ja Miehet Vaihtuivat

YKSP 24 on sitten mennyt aikaa. Kuukauden vaihtuessa vaihtui pataljoonamme nimi YKSP 25:ksi. Vaihdon aikaan saivat myös monet henkilövaihdokset: oli rotaatio ja siihen liittyvä tehtäviin nimittäminen.

Etulekolla 28.4. tuli sata uutta upseeria ja miestä, takalekossa saman verran. Ylennyksiäkin tuli 29.4. — kuvassa pataljoonan komentaja evl O. Lopmeri onnittelee esikunnan ja esikunta — ja huoltokomppanian ylennettyjä.

## Kunniakas Tasapeli

AUSCIVPOL — itävaltalainen siviilipoliisi — ja upseerimessi ottivat kiihkaasti yhteen jalkapallokentällä 27.4. Tuloksena oli hermostuneeseen tasapeliin.

## ENGLISH SUMMARY

It's rotation time again in FINCON. Nearly 200 new soldiers have arrived in Cyprus to begin a tour in UNFICYP. In the picture Lt Col A. O. Lopmeri congratulates those officers and NCOs promoted on 29 April.

A very good football match took place on 27 April between AUSCIVPOL and FINCON Officers' Mess teams which resulted in a one all draw.

## AUSCIVPOL TOP INVESTIGATOR

### AUSCIVPOL'S TOP INVESTIGATOR

LO and Chief Investigator, Insp Othmar Prikler, simply called 'Otto' by his many friends, has so far served more than five years with UNFICYP. He is an outstanding police officer who displays exceptional skill and devotion to duty. He distinguished himself during the events in Cyprus in 1974. Don't be surprised by his "American-accent", because before joining the CID in Graz, he had been a journalist in America and Canada.

## 13th AUSTCIVPOL CONTINGENT ARRIVES
