SECRETARY - GENERAL'S MESSAGE

The Secretary-General, U Thant, at a special commemorative meeting at the Opera House, San Francisco, on the 26th June, marking the twenty-fifth anniversary of the signing in that city of the United Nations Charter, said:

"It is the custom in many countries to make a wish on the occasion of an anniversary. In Burma too we have the custom of "Su Taung" or bidding good wishes on the day of anniversaries. Throughout the world such customs reflect the deep unity of men's aspirations.

On the occasion of the twenty-fifth anniversary of the United Nations, I would like to express the following wishes for humanity:

— I wish that men cease to hate and kill their fellow men for reasons of race, colour, religion, nationalism or ideology.

— I wish that more love, compassion and understanding guide the management of human affairs.

— I wish that the rich and privileged share their blessings with the poor.

— I wish that nations enrich each other in the art of governing men in peace, justice and prosperity.

— I wish that all nations unite to face with courage and determination the unprecedented world-wide problems that lie in store for humanity.

— I wish the immense progress achieved in science and technology be equalled in the spheres of morality, justice and politics.

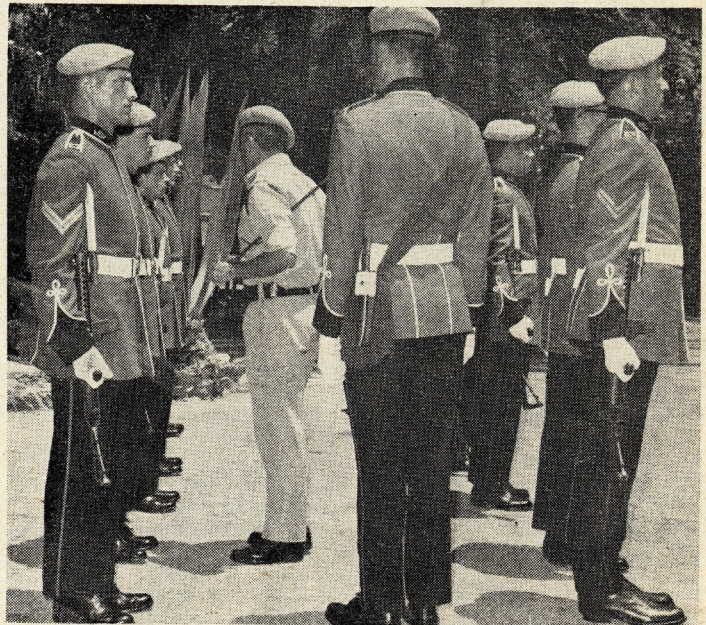

— I wish that the world listen more attentively to the concerned voice of youth.

— I wish that the leaders of the great nations of our time surmount their differences and unite their efforts for the benefit of all mankind.

— I pray for rapid restoration of peace in devastated Indo-China, for a just and lasting peace in the Middle East

as prescribed by the United Nations, and for the early involvement of the People's Republic of China in the activities of the world Organization.

I address my best wishes — "Su Taung" — to all of you and to all men and women of goodwill on this earth."

I sidste måned var det "Drivers' club", som fik anstrengelserne belønnet; og "Kajs vinstue" skal nævnes med ros i samme forbindelse.

Light Infantry Bugles

Daily routine in the Light Infantry is always sounded on the Bugle, consequently each Bugler must know at least 15 different calls before he can undertake Battalion duties. There are a total of about 50 different calls which might be required not to mention numerous Fanfares which the Bugle Platoon can perform together.

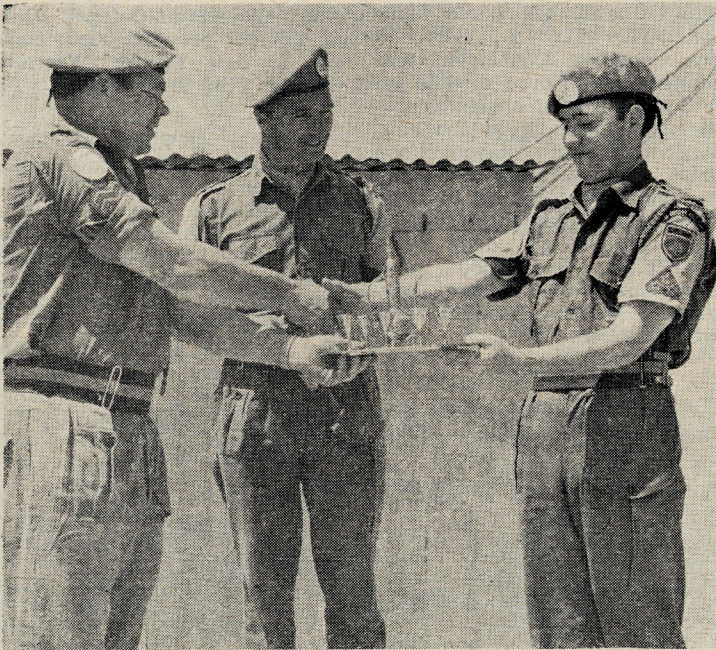

Left in the picture is Private Brian Stevens whose home is in Oswestry. He has served one year with the Battalion. Private David Henderson (right) comes from County Durham and is getting engaged to a Belfast girl when he returns to UK. Both soldiers originally joined the Army as boy soldiers.

BINGO

For a Friday Night's entertainment Bingo has no equal in B Coy. One man who particularly looks forward to this weekly game of chance is Pte. Christy Maguire 6 Battalion Athlone, who, it is rumoured, has his small kit bag already filled with 'MINGEYS'. So far he has won a prize each night.

Above we see him receiving one of the prizes from Cpl. Tom Moloney 16 Battalion FCA Loughrea. With them is Company Quarter Master Sergeant Gerry Tierney, 18 Battalion FCA Swinford.

SPORTING ACTIVITIES

The 18th Infantry Group has been very busy during the past week in the sporting line. The finals of the Soccer and Volley Ball League were completed and a fine double was recorded by a tenacious team from the Armoured Car Group stationed at Zyyi.

The Group met HQ Coy in the Soccer final and, adopting direct tactics and dispensing with frills, were two goals up by half time and eventually emerged winners by two goals to one against a team which had the stars, but over indulged in the fancy stuff.

In the Volleyball final the same two teams opposed one another but, this time, the Armoured Car Group had the stars and ran out easy winners.

A very active group of men in B Coy is the half dozen from the Irish speaking 1st Battalion Renmore Barracks, Galway. After duty you may hear them rendering many of their Irish ballads accompanied by Company Sergeant Mick McGowan on the Banjo.

"Grub Up" In The Field

During HQ Coy 3rd Battalion Light Infantry classification at Dhekelia ranges recently, excellent food was provided under the arrangements and organization of Sergeant Paul Railton ACC who is on the right on the photograph. He is a married man with two sons and has already served for nine years in the Army after previously serving for nearly seven years in the Royal Navy. His service has taken him to France, Singapore, Mauritius and Malaysia, and he is enjoying the present United Nations tour in Cyprus.

On the left of the photograph is Lance Corporal Ronald Meredith ACC who normally works in the main cookhouse at Polemidhia Camp. He is a single man and during his five and a half years service has visited British Honduras, Singapore, Mauritius and Malaya. His home town in UK is Bromyard, Herefordshire.

● Members of 4 P1 B Coy, 3rd Battalion Light Infantry recently spent a range day on Dhekelia ranges throwing 36 grenades and firing the 2" mortar, Carl Gustav and Sterling SMG infantry weapons as part of their normal familiarization training. In the picture, observing the strike, is the No. 2 on the Carl Gustav A/Tk Gun, Private Leslie Edwards. He is a single soldier and his home town is Bath, Somerset. During the 3 years he has been in the Army he has visited Australia, Singapore, Malaysia and Mauritius.

CONTINGENT CELEBRATES 103 RD

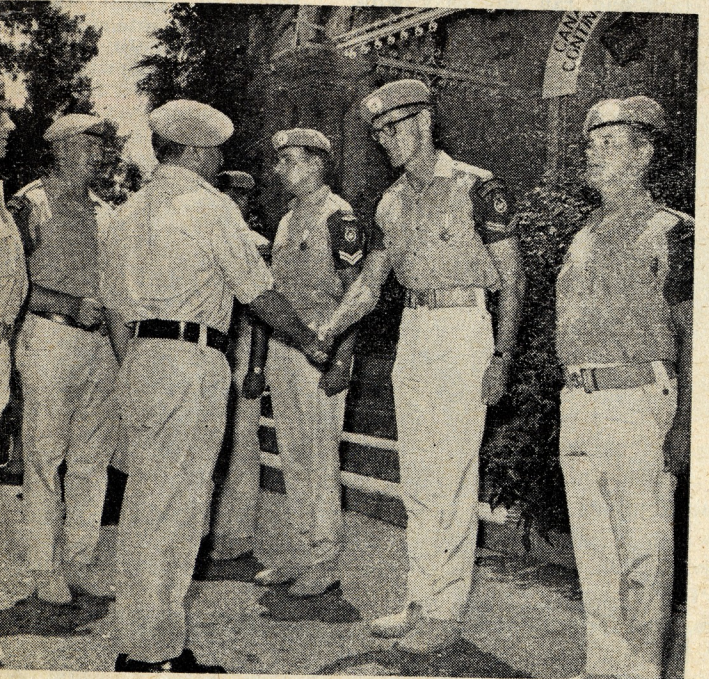

Canada's national day, July 1st, was marked by various events held by or implicating members of the Canadian Contingent. But as good professional soldiers, the Canadians did not let pleasure and celebrations interfere with the job at hand.... they worked as usual that day.

The first assignment of the day for any human being (aside from getting up) is normally the most tedious one. For Lieutenant-Colonel Dan G. Loomis, Commanding Officer of the 1st Battalion, The Royal Canadian Regiment, the first task on his agenda was a rather pleasant one: handing out new rank arm-bands to four of his men.

Eversti Reino Raitasaari: Suomi luottaa 25-vuotiaaseen YK:hon

Saattuejoukkueen nimikilpeä kiinnittävät seinään jääkärit Jukka Juntunen (vas.) ja Sulo Saikkonen.

1. JK muuttanut komentopaikkaa Convoyssa vilkasta viikonloppuina

Ensimmäinen jääkärikomppania on muuttanut komentopaikkaa ja asuinrakennuksia omalla alueellaan Trachonaksessa. Muuttotouhut aloitettiin jo kaksi viikkoa sitten ja nyt on perustettu uusi "kylä", Blue Village, jossa sijaitsevat aivan toistensa läheisyydessä komentopaikka, viestikeskus, messit, saattue- ja huoltojoukkueiden asunnot. Vartioujoukkue asuu edelleen Grazy Cornerissa.

Muuton tarkoituksena oli keskitys ja parempien tilojen hankkiminen. Majoitustilat ovatkin parempia kuin ennen ja yleensä muuttoon ollaan tyytyväisiä.

Entiset komppanian hallussa olleet rakennukset luovutettiin pääasiassa omistajilleen ja nyt 1. JK:ssa on siivottu ja maalattu paikkoja kuntoon vapaa-aikoina.

Vastaanotettujen asumattomien talojen pihalla kasvoi 1,5 metriä korkea viidakko: puita, pensaita ym. aluskasvillisuutta, joka raivattiin pois.

Saunaa kaivataan eniten ja sellainen tehdään tietenkin itse kunhan saadaan aineet.

Lutnantti Jukka Siltanen (vas.) on vetänyt monta convoyta Nikosiasta Kyreniaan ja takaisin. Tässä hän keskustele saattueen kokoamispaikalla itävaltalaisen työtoverinsa, siviilipoliisi Gerhard Jeschkon kanssa. Convoyssa on tavallisesti 50-60 ajoneuvoa, mutta viikonloppuisin parhaimmillaan yli 200 ajoneuvoa ja niissä ihmisiä toista tuhatta.

hyvä muistaa, että YK:n menoista noin 80% menee muihin kuin rauhanturvatehtäviin.

Pieni Suomi luottaa Yhdistyneisiin Kansakuntiin ja pyrkii lisäämään työpanostaan ja osuuttaan maailmanjärjestön piirissä. Me kenttäväki, YK:n rauhanturvaajat Kyproksella, edistämme samalla oman isänmaamme etua täyttämämme tehtävämme kukin omalla paikallamme parhaamme mukaan.

Loppu-tarkastuksia kotiutuville

Vielä tätä kirjoitettaessa ei ole varmaa tietoa milloin rotaatiokoneet lentävät. Erään suunnitelman mukaan 18., 26. ja 30. päivinä tätä kuuta. Päätös lentojen suorittamisesta ja tehtävään valittavasta lentoyhtiöstä riippuu YK:n elimistä New Yorkissa.

Rotaatiovalmisteluja tehdään kuitenkin jo ja viime maanantaina alkoivat kotiutuvien lääkärintarkastukset pienoisoröntgenkuvauksella General Hospitalissa Nikosiassa. Kuvassa yllä lääkintähenkilöstöön kuuluva vääpeli Pentti Kauppinen kirjoittaa kortteja kuvattaville, taustalla majuri Kauko Pippuri riisuu paitaa yltään.
