Figure 2. Percentage of victims and reported affiliation

- 6% Media (5)
- 44% Civil society members (36)
- 43% Others / non-identified (35)
- 7% Members of political parties (6)
- 82% Total victims

Figure 3. Number of violations per province in DRC

Figure 4. Quarterly evolution of human rights violations documented in 2020

TOTAL REPORTED VIOLATIONS

The figures mentioned in this fact sheet do not reflect a complete overview of the human rights violations in the DRC but only relate to the cases documented and verified by the UNJHRO through OHCHR methodology and standards. Statistics on the number of violations reported may increase or decrease over a given period of time due to numerous factors outside the control and/or knowledge of the UNJHRO, and must therefore be used with caution.
