Figure 5. Number of adult victims of CRSV by perpetrators

The provinces concerned in this section are determined by the MARA Working Group which reports to the SRSG on Sexual Violence in Conflict. In 2020, they include the provinces above as well as Haut-Katanga, Lualaba, Haut-Lomami and Ituri.

The boundaries and names shown and designations used on this map do not imply official endorsement or acceptance by the United Nations.

Figure 3. Number of violations per province in DRC

The boundaries and names shown and designations used on this map do not imply official endorsement or acceptance by the United Nations.

Figure 4. Monthly evolution of documented human rights violations

- Total reported violations
  - Jan-20: 91
  - Feb-20: 62
  - Mar-20: 127
  - Apr-20: 112
  - May-20: 93
  - June-20: 88

The figures mentioned in this fact sheet do not reflect a complete overview of the human rights violations in the DRC but only relate to the cases documented and verified by the UNJHRO through OHCHR methodology and standards. Statistics on the number of violations reported may increase or decrease over a given period of time due to numerous factors outside the control and/or knowledge of the UNJHRO, and must therefore be used with caution.
